PAPER SUBMISSION

An author wishing to present in the conference shall create a document consisting of a complete description of their ideas and applicable research results in not more than eight (8) pages, including all text, figures and references.

A maximum of two (2) papers may be submitted by the same first author. If the same first author submits two (2) papers, a supplementary publication fee is due for the additional paper.

Papers should be written in English and formatted according to the Guidelines described on our website.

Kindly register and submit your paper at:

<http://submit.confbay.com/conf/iconcees2021>

REVIEW & PUBLICATION

Papers submitted will be pre-screened for conformity with submission guidelines and for overall appropriateness. Papers that pass the initial screening process will then be double-blind reviewed.

All accepted papers presented at IConCEES 2021 will be published in IOP Conference Series: Earth and Environmental Science (ISSN: 1755-1315) that is indexed by Clarivate Web Of Science (WoS), Compendex, Inspec, INIS, Chemical Abstracts, NASA Astrophysics Data System and Polymer Library.

Publication of papers in the proceedings is conditioned on a positive assessment by reviewers.

Failure to present at IConCEES 2021 will result in the automatic withdrawal of your paper from the conference proceedings.
